

A new Chairman for the ECSEL JU Governing Board

As of June 4th 2015, Andrea Cuomo became the Chairman of the Governing Board of ECSEL Joint Undertaking.

Andrea Cuomo is Executive Vice President, Advanced Systems Technology (AST) and Special Projects, and has held this position since January 2012. He also serves as Chairman of the Board at 3Sun, ST's photovoltaic joint venture with Enel Green Power and Sharp.

Andrea joined SGS Microelettronica (a predecessor to STMicroelectronics) in 1983, and became Vice President for the Headquarters Region in 1994. In 1998, he created the AST group, a key organization in the development of ST's system knowledge and advanced architectures. He was promoted to Corporate Vice President and AST General Manager in 2002, and took on further responsibilities as Chief Strategy Officer in 2005. In 2008, he was appointed Executive Vice President, General Manager of Sales and Marketing for Europe and AST and his portfolio was later expanded to include the Middle East and Africa.

His board memberships include the International Advisory Board at the HEC Business School in Paris, the International Advisory Board of Nano-Tera, a Swiss National program for Nanotechnologies, and TTFactor, the IP utilization arm of the Istituto Europeo di Oncologia.

Andrea Cuomo was born in Milan, Italy, in 1954, and studied Nuclear Science at the Polytechnic of Milan.
