

## **DECISION OF THE PUBLIC AUTHORITIES BOARD OF THE ECSEL JOINT UNDERTAKING**

### **Approving the selection of project proposals retained for funding following ECSEL Call 2014-1 and the allocation of funding**

THE PUBLIC AUTHORITIES BOARD OF THE ECSEL JOINT UNDERTAKING,

Having regard to the Statutes annexed to Council Regulation (EU) No 561/2014 of 6 May 2014 on the establishment of the ECSEL Joint Undertaking, and in particular Articles 9§5(b) and 12(e);

Having regard to the Decision of the Public Authorities Board on the evaluation and selection procedures related to Calls for proposals<sup>1</sup>,

Having regard to the Governing Board decision approving the work plan for 2014 and describing the scope and budget of ECSEL Calls 2014-1<sup>2</sup>,

WHEREAS:

- (1) Pursuant to the work plan, the Joint Undertaking has published on 9 July 2014 the ECSEL Call 2014-1 with a deadline of 17 September 2014;
- (2) 37 Full Project Proposals for research projects were submitted in response to this Call, out of which 35 satisfied the eligibility criteria for proposals and 2 were not compliant and 1 eligible proposal was submitted twice.
- (3) The 34 proposals were evaluated by independent experts in accordance with the ECSEL evaluation and selection procedures related to Calls for proposals, under the coordination of the ECSEL JU.

---

<sup>1</sup> ECSEL PAB 2014.02

<sup>2</sup> ECSEL GB 2014.07, amended by decision ECSEL GB 2014.21.

- (4) Following the evaluation of the 34 full project proposals, the following results are reported in the Evaluation Report of the ECSEL Call 2014-1:
  - Individual Evaluation Summary Reports were produced for each proposal,
  - 7 proposals did not reach the evaluation thresholds and were included in the "below threshold" list,
  - The remaining 27 proposals reached the evaluation thresholds and were included in the "above threshold" list.
- (5) The PAB should decide on the final ranking of proposals.
- (6) The PAB should approve the list of selected proposals with the indications of maximum eligible costs and allocated maximum public funding.
- (7) The PAB should reject the proposals in the "below threshold" list as well as those that it deems not financially viable due to limitations in the available public funding.
- (8) The PAB may establish a reserve list of proposals.
- (9) The Executive Director should implement the decision of the PAB by entering into contact with the consortia of selected proposals and signing the relevant grant agreements.

HAS ADOPTED THIS DECISION:

*Article 1*

The ranking of the proposals in the "above threshold" list in Annex 1 is approved.

*Article 2*

6 proposals should be selected for possible financing within the maximum eligible costs and the maximum public funding allocated as annexed to this Decision (Annex 2).

The Executive Director should take the necessary decisions to implement the decision of the PAB and should sign, where relevant, the grant agreement with selected consortia indicated in Annex 2. He should inform the PAB of the dates and conditions of the signature of the JU grant agreements.

*Article 3*

0 proposals should be put on the reserve list (Annex 3).

*Article 4*

7 proposals in the "below threshold" list should be rejected as its score is below threshold in one or more evaluation criteria or below the minimum total score required (Annex 4).

*Article 5*

20 proposals should not be selected for funding because the Public Authorities Board considers them as not financially viable due to limitations in the available public funding (Annex 4).

1 proposal should not be selected for funding because the Public Authorities Board considers it having a too strong overlap with a project that is already funded in another H2020 call for proposals (Annex 4).

*Article 6*

The Executive Director shall inform the corresponding National Funding Authorities of the signature of the JU Grant agreement, in order to proceed with the establishment of the National Grant Agreements.

*Article 7*

This Decision shall enter into force on the date of its adoption.

Done at Brussels, on 18 December 2014,

For the Public Authorities Board

*(signed)*

Ben Ruck

Chairperson of the Public Authorities Board
