¹ ECSEL PAB 2014.02

² ECSEL GB 2014.07, amended by decision ECSEL GB 2014.21.

- (4) Following the evaluation of the 14 full project proposals, the following results are reported in the Evaluation Report of the ECSEL Call 2014-1:
- Individual Evaluation Summary Reports were produced for each proposal,
 - 2 proposal did not reach the evaluation thresholds and were included in the "below threshold" list,
 - The remaining 12 proposals reached the evaluation thresholds and were included in the "above threshold" list.
- (5) The PAB should decide on the final ranking of proposals.
- (6) The PAB should approve the list of selected proposals with the indications of maximum eligible costs and allocated maximum public funding.
- (7) The PAB should reject the proposals in the "below threshold" list as well as those that it deems not financially viable due to limitations in the available public funding.
- (8) The PAB may establish a reserve list of proposals.
- (9) The Executive Director should implement the decision of the PAB by entering into contact with the consortia of selected proposals and signing the relevant grant agreements.

HAS ADOPTED THIS DECISION:

Article 1

The ranking of the proposals in the "above threshold" list in Annex 1 is approved.

Article 2

6 proposals should be selected for possible financing within the maximum eligible costs and the maximum public funding allocated as annexed to this Decision (Annex 2).

The Executive Director should take the necessary decisions to implement the decision of the PAB and should sign, where relevant, the grant agreement with selected consortia indicated in Annex 2. He should inform the PAB of the dates and conditions of the signature of the JU grant agreements.

Article 3

1 proposal should be put on the reserve list (Annex 3).

Article 4

2 proposals in the "below threshold" list should be rejected as its score is below threshold in one or more evaluation criteria or below the minimum total score required (Annex 4).

Article 5

5 proposals should not be selected for funding because the Public Authorities Board considers them as not financially viable due to limitations in the available public funding (Annex 4).

Article 6

The Executive Director shall inform the corresponding National Funding Authorities of the signature of the JU Grant agreement, in order to proceed with the establishment of the National Grant Agreements.

Article 7

This Decision shall enter into force on the date of its adoption.
